After Hours & Public Holidays

Some psychologists may offer after-hours and public holiday appointments, surcharges may apply for these appointments.

National Recommended Fees

The Australian Association of Psychologists (AAPi) recommended fees for 2024-2025 is \$315 for a standard 40-60 minute consultation. At Feel to Heal Psychology, we strive to keep our fees lower than the Canberra average while providing an exceptional service to our clients.

Medicare

Appointments that are eligible for Medicare rebates are determined by Medicare; to find out what appointment are eligible, please visit the Medicare website, speak with your GP / specialist, or speak with our reception team for more information.

To be eligible to receive psychological services under Medicare, you must be referred by your GP or in some instances by a psychiatrist, paediatrician or consultant physician.

All listed Medicare rebates are current as of July 2024, however, the most up to date rebate information see the Medicare website, speak with your GP, or contact our reception.
